NOTICE

RFP Notice No. 001/2026

Dated: 07th Oct, 2026

Financial Bid Evaluation – Operation & Maintenance of Nuclear Medicine Facility at CNCI, Newtown on PPP Mode

Chittaranjan National Cancer Institute (CNCI), Newtown, Kolkata had invited bids for Operation and Maintenance of the Nuclear Medicine Facility at CNCI, Newtown, Kolkata under Public Private Partnership (PPP) Mode.

In response to the RFP, two bidders participated in the bidding process. The Technical Bids of both participating bidders were evaluated and found technically qualified as per the terms and conditions of the RFP.

Accordingly, the Financial Bids of both technically qualified bidders were opened online on 29.09.2026 through the designated e-Procurement Portal, in the virtual presence of the representatives of the participating agencies.

The financial bid position was as follows:

Sl. No.	Name of Bidder	Discount on Base Tariff	Rank
1.	Molecular Diagnostics and Therapy LLP	21.01%	H1
2.	Spandan Diagnostics Centre Pvt. Ltd.	20.00%	H2

Based on the financial bids received and the evaluation criteria stipulated in the RFP, Molecular Diagnostics and Therapy LLP, having quoted the highest discount of 21.01% on the Base Tariff, emerged as the H1 bidder.
